## ON THE COVER

Our Chamber President, Venus Martz, shows near perfect bowling form at the Annual Scholarship Bowl. All the event proceeds go toward Scholarships for our North County High School Seniors. The event was sponsored by The Taste in Fergusson and Angels at Work.

If you would like to sponsor a Greater north County Chamber of Commerce event in the future, please contact the chamber office.

## PRESIDENT'S REPORT

**Venus Martz**

Hello September! It is my absolute favorite time of the year with warm summer air turning crisp and falling into autumn.

Ladies! Reserve your calendar for Friday, September 24th for the Chamber's Annual Women's Empowerment Seminar: Caring For Yourself! Presented by The Emerson Family YMCA and sponsored by SSM Health DePaul Hospital. We have lined up phenomenal speakers for the day with Kennedy Brown, A.R.C. Angels Foundation; Jorina Celeridad, Girls Getta Grip; Dr. Robyn Lawrence, Get Well Family Chiropractic; Halina Conti, Ameriprise Financial Services; and Kaelyn Witner, SSM Health. Call the chamber office today! Sponsorships are available.

We are also looking to fill 5 new board seats. You must be a Chamber member in good standing (Associate members and members that are less than a year are not eligible). The five new directors will take their seat in January 2022 and serve a 3-year term. A nominating committee will select the new board members, if you are interested, please fax/e-mail/drop off your nomination form.

We are also taking nominations for the 2022 Business Person of the Year and the 2022 Zykan Family Legacy Award. Please get the nominations to the Chamber office as soon as possible.

Sign up now for our Membership Luncheon on September 15th at Glen Echo Country Club! We will have MODOT present to us about I-270 and its updates. Luncheon sponsor will be Archwell Health and the non-profit of the month is the St. Ferdinand Thanksgiving Dinner.

We're having a very special Business After Hours on September 9th at the Chamber Office from 5-7 p.m.! We are celebrating our very own Jaime Jenkins' 10 YEAR ANNIVERSARY at the Chamber! We would not be the strong Chamber and dream team we are without Jaime, so come by for 5 minutes or the whole 2 hours! And the next day, stop by for our First Responders BBQ as we thank and honor our First Responders at the Chamber office from 11 a.m. - 2 p.m.!

And if your weekend isn't full enough, please support Taste in Ferguson on September 12th from 3 p.m. - 6 p.m.! We are one of the sponsors and would love to get as much Chamber and community support as possible!

As the change of season begins, I leave you with this quote said best by Albert Einstein, "Strive not to be a success, but rather to be of value."

## CHAIR'S LETTER

**Rick Dorsey**

*"School days, school days, dear old Golden Rule days. 'Readin' and 'ritin' and 'rithmetic', taught by the tune of a hickory stick.*

Yes, it's September. The kiddos are back in school and your Chamber pushes on. This month, we were scheduled to have our Business After Hours on Sept. 9 at Marygrove but, due to the resurgence of Covid-19, they had to cancel. Business after Hours will now be held at the Greater North County Chamber Office.

On Sept. 10, we have our "First Responders Barbecue Luncheon" at the Chamber office. Contact the office if you can help out, More than ever, our First Responders need a pat on the back.

On Sept. 12, we will be partnering with Angels at Work for a "Taste in Ferguson". Unfortunately, due to Covid, this event will be boxed, unless you sign up for the VIP status, in which case, there is a limited amount of seats available, which include live entertainment. Check the Chamber website for details.

Sept. 15, we have our monthly meeting at Glen Echo Country Club. Our program will be MoDOT with updates on the Hwy 270 construction.

On Sept. 24, we will have our 8th annual Women's Empowerment Seminar. Tickets and Sponsorships are still available. Contact the Chamber office.

As we approach the end of our Chamber year, we look forward to the election of new Directors. If you would like to help lead our Chamber into the future, nomination forms are available at the Chamber office. Likewise, it is time to nominate business owners for the "Business Person of the Year" and "Zykan Family Legacy" Awards. Nomination forms are available at the Chamber office.

It's not too soon to think about the "Night of Stars". This is our largest fundraiser of the year. It will be on Dec. 3 at Orlando Gardens. If you can donate something to either the Oral or Silent Auctions, please contact the Chamber office.

More later,

*Rick*

## News Release

### **U.S. News & World Report names Christian Hospital a High Performing Hospital in 1 Adult Specialty & 5 Procedures and Conditions**

Christian Hospital has been recognized as a High Performing Hospital for 2021-22 by U.S. News & World Report for High Performing in Gastroenterology and GI Surgery Specialty, and High Performing in five Common Procedures & Conditions: Chronic Obstructive Pulmonary Disease (COPD), Diabetes, Heart Attack, Heart Failure and Kidney Failure.

The annual Procedures & Conditions ratings, now in their seventh year, are designed to assist patients and their doctors in making informed decisions about where to receive care for common conditions and elective procedures. These ratings extend the U.S. News mission of providing consumers with patient decision support beyond the Best Hospitals rankings, which are geared toward complex specialty care.

Christian Hospital has earned "High Performing" ratings for Gastroenterology and GI Surgery, COPD, Diabetes, Heart Attack, Heart Failure and Kidney Failure, in recognition of care that was significantly better than the national average, as measured by factors such as patient outcomes. "High Performing" is the highest rating U.S. News awards for those types of care.

"This recognition belongs to the North County community and the dedicated employees and physicians of Christian Hospital – together they have made these achievements possible, and we are truly humbled and honored that our accomplishments are being recognized," says Rick Stevens, president of Christian Hospital and Northwest HealthCare. "We continue to see our vision become reality as the place where patients want to come, doctors want to practice and employees want to work and a continual emphasis on our mission of improving the lives of the communities we serve."

For the 2021-22 ratings, U.S. News evaluated more than 4,750 medical centers nationwide in 17 procedures and conditions. Fewer than a third of all hospitals received any high-performing rating, and only 11 earned this rating in all procedures and conditions. The state and metro area rankings recognize hospitals that received high performing ratings across multiple areas of care.

#### About Christian Hospital

Christian Hospital is a 230-staffed-bed community hospital located in north St. Louis County and a founding member of BJC HealthCare, one of the largest nonprofit health care organizations in the United States. Located six miles west of Christian Hospital is Northwest HealthCare, which offers the community 24-hour emergency care and a variety of outpatient services to complement hospital services. With both locations, Christian Hospital operates the busiest emergency department in Missouri and one of the busiest hospital-based ambulance service in the state. Christian Hospital received the St. Louis Regional Chamber's Arcus Award for Achievement in Health for its commitment to ongoing growth, improvement, community outreach and economic opportunity. # There's Strength in Numbers

*A medical plan that lets small businesses join together for more plan options and lower rates*

## Say hello to the Chamber Benefit Plan.

A multiple employer welfare arrangement (MEWA) designed for small businesses who are members of a qualified Chamber of Commerce, like ours.

When it comes to providing employees with cost-saving health care coverage, small businesses are at a big disadvantage compared to their larger counterparts. Because of their smaller size, their claims risk pool is spread out across a much smaller employee population. That can result in higher, less stable insurance rates — and fewer viable plan choices.

**Fortunately, there's a simple and affordable medical plan alternative. It's called the Chamber Benefit Plan and it's just one of the many advantages of joining our chamber.**

Powered by the Missouri Chamber Federation and administered by Anthem Blue Cross and Blue Shield, the Chamber Benefit Plan is available to small group employers in Missouri who have 2 to 50 eligible employees.

### Advantages that make a real difference:

- › Shared overall claims risk across a large pool
- › Competitive, medically underwritten rates
- › Fixed, predictable monthly payments
- › Choose from a variety of plan designs, including 10 PPO and three HSA options
- › Minimize the impact of ACA mandates while offering coverage to all eligible applicants, regardless of health status
- › Anthem's Blue Access, Blue Access Choice and Blue Preferred networks
- › Coverage for claims run-out/terminal liability coverage
- › Simple, streamlined administration

## Not a member of our chamber yet? We'll help you join today!

Chamber members have access to a full range of high-quality plans and options that can lead to significant savings.
